

## **2016 Hong Kong Island Outstanding Students Award**

It is our great honour to announce that two students from our school were awarded the 2016 Hong Kong Island Outstanding Students Award on 26 November 2016.

S.6A Huang Yingyi  
2016 Hong Kong Island Top 10 Outstanding Students Award  
(Senior Secondary)

S.3B Windebank Ewan Peter George  
2016 Hong Kong Island (Wan Chai District) Highly Commendable Students Award  
(Junior Secondary)

This award aims to give recognition and appreciation to the students who display devotion to the school and the society. It provides opportunities for students to interact with different leaders of different sectors thus broadening their horizons. It also aims to encourage students to better equip themselves for any future challenges.

There were in total, 133 candidates from 69 schools across four districts (Eastern, Wan Chai, Central and Western as well as Southern Districts) who were nominated for the awards this year.

The selection criteria are based on candidates':

- Academic achievement
- Conduct
- Participation in school and community activities
- Communication and organization skills
- Knowledge of social affairs

All awardees have to successfully complete the selection process and different challenges to gain an award. Students have to first be nominated by the school, then get one of the top five positions in their respective district. They then have to sit for various written tests and interviews.

The award winners, Huang Yingyi and Windebank Ewan Peter George, are certainly some of the best of the best and the school is of course very proud of them. A big congratulations to both our outstanding students.
