

Thanksgiving Mass for Secondary 6 Graduates

5 March 2019 was the last school day for our S6 students and there was a Eucharistic Ceremony held for our graduates. Our Supervisor **Fr. Hyacinth He Yousun** presided over the Mass, together with **Bro. Xiong Bosco**. Students and teachers gathered in the Chapel together to show respect and gratitude to God for the love and guidance they have received throughout the years. The mass was especially held for the S6 students who were going to leave the school and turn a new page in their lives! They were reminded and encouraged to learn to be good and seek to produce good fruits for the Lord.

The graduates gratefully and joyfully participated in the Mass services, which included a commendation, Bible reading, Responsorial Psalm, offerings and the Prayer of the Faithful. They offered prayers and petitions to the Lord our God for the school and their own needs. The Altar Service was performed by four junior secondary students. We all thanked God for guiding our students and teachers in the past years in school and in their daily lives.

The school and teachers wished the graduates perseverance in the next stage of their lives and encouraged them to keep maintaining their good deeds and attitudes. May our students have a fruitful future guided by wisdom and righteous morals, which may have been forgotten about by today's society.
