

68th English Speech Festival Choral Speaking -- 1st & 2nd Runner-ups

Our school's S.5 students formed two teams and participated in the 68th English Speech Festival, Choral Speaking, mixed voice on 1st December, 2016. One team was composed of S.5A and 10 students from S.5D and the other from both S.5B & S.5C students. With the guidance given by their English teachers and the music teacher, the former achieved the second position and the latter obtained the third in the competition. They performed so well that the adjudicator praised them saying, 'the entrance on stage was well rehearsed and disciplined' and 'the text was spoken thoughtfully and clearly and with understanding of the meaning and emotion of the poem.' Their hard work was rewarded with the recognition of the adjudicator and the audience. Congratulations to S.5 students!
