

Hong Kong Federation of Youth Groups English Public Speaking Contest 2019

In late January, fourteen of our students took part in the Hong Kong Federation of Youth Groups English Public Speaking Contest 2019 and all of them obtained pleasing results.

One of our students, Wong Yu Tu Anthony, got into the semi-final in the senior division. On 23 Feb, eight students attended the grand finals of the contest so they could witness the performance of the Top 5 winners of both the Junior and Senior Divisions. Hence, our students were able to learn the importance of developing one's ideas either with concrete examples or an anecdote apart from the general oratory skills of pronunciation, delivery and well-chosen vocabulary.
