

Opening Day Ceremony 2018

On 3rd September, all students and teachers gathered in the school hall for the Opening Day Ceremony. Our spirits were high and we were ready to meet every challenge in the new school year.

It was our great honour to have invited alumnus, Ms. Gurjeet Chima, to be our Guest of Honour. Ms. Chima is now working for Penske Media Corp as the head of their Asian operations. She urged all students to put their full effort into learning different languages, which will help them explore the world and pursue their dreams. Due to the opening of Chinese markets and the continual growth of the Chinese economy, Chinese Language is gaining in significance in the world. Therefore, all students, no matter local or non-Chinese speaking, should be serious about learning Chinese. Ms. Chima also said all students are unique, and all have potential. She suggested students join more clubs and activities so they can discover their talents, explore their leadership potential and learn diverse skills. Students should believe in themselves and be confident and be ready to meet all challenges in the innovating world. To conclude, Ms. Chima told students to pay attention to everything happening in their school lives, to do their best in their studies, and the activities they have joined.

After her inspiring speech, graduates with outstanding performance in English Language in the HKDSE 2018 were presented with Rosaryhill School Old Students Association Scholarships. The awardees were Gurung Stephanie Villaeba of 6A and Cruz Christian Andre Viaje of 6B.
