

**“Outstanding Student Award” of Jockey Club CoCoon Student Training in
Entrepreneurship Program (JCCSTEP)**

Since 2017, The CoCoon Foundation received sponsorship from The Hong Kong Jockey Club Charities Trust to impact 5000+ secondary schools students. Rosaryhill Secondary School has been a partner school with CoCoon since 2018-19. Through the JCCSTEP, we aim to empower students to access the entrepreneurship community, to be inspired by entrepreneurs and acquire entrepreneurship mindsets, skill-sets, and knowledge that will benefit their future career development.

One of our S.6 students, GAURAVDEEP from S.6B, has participated in various activities organized by CoCoon and was recognised for his outstanding performance and leadership. He was awarded the “Outstanding Student Award” which was only given to 10 students out of about 6000 participants across Hong Kong and GAURAVDEEP was selected among many students.

Congratulations to GAURAVDEEP.
