

Peace Ambassadors Training Programme

From November 2018 to January 2019, 20 Prefect Team members joined the Peace Ambassador Training Programme to learn about ways to resolve conflicts by attending six workshops.

Through video sharing, games and role plays, the students became more aware of the causes and effects of conflicts, and the techniques that can be used to resolve disputes.

The programme equipped Prefect Team members with new skills they can use to more effectively carry out their duties.
