

Prizes Presentation on 24 November 2020

Due to the pandemic, the Closing Day Ceremony was cancelled in July 2020 and the selection of outstanding students has been postponed. Not until the last week of November, everything was ready and we had a simple but remarkable prize-presentation ceremony held after school. We had the honour to have the Supervisor, Fr. Hyacinth He and the Principal, Ms. So Pui Ting, to present the prizes to the awardees. All awardees were thrilled to receive the belated prizes from the school and some of the teachers joined the ceremony to share the joy with them.
