

## **Student Council Election 2018**

Two cabinet candidates competed for the student council election this year. One was headed by S4B Reshabh Singh and the other led by S3C Andrea Allman-Brown. The Election was held on 16 May, 2018 in the West Wing Covered Playground during the lunch hour and teachers-students interaction time.

The Student Council Election Committee 2018 set its election engineering chariot in motion quickly after the cabinet candidates introduced themselves at a Monday morning assembly. After completing several election activities, e.g. election forum and election talks, the voters went to the polling station to cast their ballots. The votes were counted by the Election Committee 2018 under the supervision of the Monitoring Body of Ballot Count 2018. 311 (87%) of voters turned out to cast ballots. No. 1 Legacy obtained 186 votes while No. 2 Unity received 102 votes.

Legacy was therefore elected by a simple majority and declared the Student Council Executive Committee for the year 2018-19.
