

Opening Day Ceremony 2017

On 1st September, all students and teachers gathered in the school hall for the Opening Day Ceremony. Our spirits were high and we were ready to meet every challenge in the new school year.

It was our great honour to have invited alumna, Ms. Winnie Choy, to be our Guest of Honour. Ms. Choy is the Head of E-Commerce, Yahoo Hong Kong. She urged all students to put their full effort into doing everything they dreamed of doing. She also told them to love their lives and fully engage with society because we only get back what we put in. At school, students should join some clubs, sports teams and activities, so as to discover their talents and learn from various areas. They should also engage in more face to face conversations with real people so as to tighten the bonds that exist between our selves and the people in our lives. Students should examine what they can give rather than take from the school and the society and help people around them whenever they have a chance.

After her inspiring speech, graduates with outstanding performance in English and Chinese Language in the HKDSE 2017 were presented the Rosaryhill School Old Students Association Scholarships. The awardees were Huang Yingyi, Liu Ruize and Capiendo Wincel Sagana of 6A and Ricafort Rachel Kaye Pineda of 6B.
