

### **Youth Enhancement Program 2017 (灣仔區青少年自強計劃)**

The Youth Enhancement Scheme 2017 was held between 7 July and 16 September 2017. It was co-organized by the Baptist Oi Kwan Social Service, St. James Settlement and Wanchai Police District. Sixteen S1-S2 students joined the program during the summer holiday. The scheme aimed at helping students develop their positive life values and enhancing their confidence by getting them to participate in various adventure-based activities, social services and sports activities with the mentorship of police volunteers. They also joined a workshop called 'Reflective Path', organized by the Hong Kong Correctional Services Department.
