We are delighted and proud to announce that five of our S.5B students, Ammar Muhammad, Mark Gabriel, ReshabhMandral, Villanueva Dylan and SubbaPreman formed the team, *5B Beasts*, to participate in the PA 85<sup>th</sup> Anniversary Sports-In-Touch Crate Climbing Challenge which was held on 16<sup>th</sup> October, 2018, and won the event by beating ten other teams in the Youth Division. The competition was organized by the Hong Kong Playground Association. The team stacked a record 18 crates in 1 minute and 15 seconds. Their endurance, strength and unbeatable teamwork impressed all the spectators and judges. Medals, a trophy and \$3000 dollars were presented to the team by the Chief Executive, Mrs Carrie Lam, GBM, GBS. We are hoping to introduce this new challenge to more students in the future.
