Statement for an incident that happened on 11th April 2019

In response to recent reports about an incident that happened in our school at around noon today, we would like to make the following statement:

A dispute happened between an S.2 student and S.3 student at around noon today; as the result, the S.3 student was injured. Our teachers provided support and control immediately. The case was also reported to the police and the injured boy was sent to hospital immediately. Furthermore, the class teachers of the two students notified both students' parents immediately and provided appropriate support. Since the police are now carrying out relevant investigation of the above incident, we are advised not to disclose more details of the incident at this moment. We would like to emphasize that the above incident is only an isolated incident.

Rosaryhill Secondary School is always dedicated to nurture students' whole-person development and we always strive to maintain a loving, caring and harmonious school environment for our students.
