Dear Teachers Parents, Staff and Students:

It is my honor and pleasure to greet and welcome all of you to our School. As the School Year 2020-2021 has begun, I, as the School Supervisor, would like to take this opportunity to share with you something about our School.

In this new school year, we not only have some new students, but also new blood into our school, that is to say, we have some new teachers, and even two new principals for the Primary School Section and the Kindergarten section.

Ms. Maria Goretti Cham Yanyan (湛茵茵) has worked at the Educational Bureau for some years and had a very rich educational experience. She, who is also proficient in school management and curriculum arrangements has been appointed the chief Principal of both Primary school and kindergarten in administration.

Ms. Bibiana Tse Yuen Ngor (謝婉娥) shall be principal in charge of our Kindergarten Section mainly in Learning and Activities. She has been working with us since 1982 and has a vast experience in the field of Early Childhood Education as well as in administration.

All of us, including staff, students, parents and teachers, are eager to begin a "new start". We have new hope, new life and new challenges. Let us continue to collaborate and cooperate to work together for the benefit of our students. They are always our primary concern. By focusing on this common goal I foresee a very fruitful year and a bright future ahead.

May God help us to improve all the aspects of our joint effort to impart and attain the best possible educational standard of education to our students.

Thank you very much!

Sincerely Yours

Fr. Hyacinth He OP
Supervisor
