## Dynamic English Learning Life at RHS

English Language learning is meaningful and ‘funtastic’ in RHS! This year, students enjoyed their English learning journey through various activities as Greek-ME Catwalk Show, King of the Crossword, class-based English is Fun Quiz, A Movie Date, English Musical, and the Annual Book Exhibition organised by the Library Team to promote a reading culture. Students also learnt English with the use of cross-curricular materials and activities.

### Greek-ME Catwalk Show

English Department and History Department collaborated to teach S.1 students about ancient Greece. Students learnt about Greek mythology and the use of adjectives to describe different Greek Gods and Goddesses. They created their own Gods and Goddesses. They celebrated their learning with a catwalk show titled “Greek-ME Catwalk Show”. It was a successful event with students being models, narrators, and MCs.

## King of the Crossword

This is our first year to organise King of the Crossword Competition during the Academic Week. It is a huge success with participants from all the classes from S.1-5. Students worked in unity as a team to solve the challenges in the school hall.

## English Musical – “Leaving”

English Drama Club members worked hard to produce a musical about friendship, titled “Leaving”. The message behind was:

“Leaving our friends might be sad, but we will never forget the sweet memories with them. Life must go on. We should be passionate about life, no matter where we are and what we do.”
