Words From The Editor

Rosaryhill school is such a big family. Every year there are numerous functions and activities held in each section of our school. We need a record for all these cherished memories, and the School Annual serves this purpose. But how to make it a valuable read rather than a sheer collection of information and events held during the past year? With this question in mind at the outset of our preparatory work, the editorial team aimed to bring readers a collection of lively accounts capturing every glimpse of the school life. Since last September we have been alert in any events that would take place during the coming school year so as to gather updated first-hand information. Moreover, we have paid much attention to details of the annual, ranging from organizing a systematic structure to selecting appropriate pictures, in an effort to enrich its content. In addition, we have striven to make the layout as presentable and eye-catching as possible.

I would like to extend my heartfelt thanks to our advisors Rev. Fr. Francisco de las Heras and Rev. Fr. Jose Salas for their valuable advice and support, as well as to all the colleagues and members of the editorial board, for their assistance and dedication. Without their contributions the annual cannot be successful.

I hope that whenever readers turn over the pages, they not only will see a compilation of words and photographs but also will recall their peals of laughter, moments of joy, and achievements of life in RHS.

Message from the Supervisor

As I turn the pages of the 30th edition of our school annual, I recall happy memories and I ask about the past years.

How have we progressed in the past year to meet the challenges we face? Who is making the changes that progress demands?

When analyzing events of the year, I am pleased to see evidence of students' growing social and civic awareness that has developed in the past years. Successful fundraising events, blood donation drives and joint-school projects to help

disadvantaged children are representative of the many activities organized by our students and teachers with the aim of helping people in our community, people in need.

The book you hold in your hands "is not an inventory of photos and faces, but rather a documentary of life and progress", as somebody once said. This 30th volume of our school annual represents the life and progress of our 5,500 students and staff; it tells our history at this moment of change.

My thanks to the Editorial Board for your fine work in preparing this school annual.

Legion of Mary : Our Lady of Fatima Praesidium
Queen of the Most Holy Rosary Praesidium
Mother of Our Saviour Praesidium

The members of the three Praesidia of the Legion of Mary have followed the aim to "sanctify themselves and sanctify others" with courage, hope and happiness.

The members have regular weekly meetings. The officers have also attended Curia monthly meetings and have taken part in the activities organized by the Curia. They have also encouraged students of Form 1 to attend the weekly meetings. They have also taken part in the religious activities of the school and have helped with the Vocation Week, the Fatima Devotions, the Holy Week and the Easter Vigil.

Many members have taken the initiative of visiting the old people of St. Mary's Home for the Aged, Aberdeen. They have also continued doing voluntary work in Po Leung Kuk, joining the planning meetings and taking the boys on outings and visits. This is the way how the legionaries shared the faith of Jesus with others.

Religious Youth Council: The Religious Youth Council has helped in organizing activities for the Catholic Students.

Altar Boys' Society: Every morning during the whole school year the members of the Altar Boys' Society have acted as servers in the Mass in the School Chapel. The members have attended the weekly meetings. During the meeting there was time for prayer and sharing the Word of God. They have tried to know better their faith and their Christian duties.

Religious Department

Catechism Lessons and Baptisms: Every year there are students that take part in the catechism classes. They learn the Christian faith during a period of two to three years. This year during the Easter Vigil Celebration four students received the sacrament of baptism.

Caritas Bazaar

The fund-raising campaign for the Caritas includes cash donations, bazaars, and selling of raffle tickets. As in the past years we have participated in the bazaar as a means to arouse the students' awareness of social services to the community.

The bazaar on Hong Kong Island was held on 29th October, 1995 at the Victoria Park. Various groups of our students, such as the Art students, Discipline Prefects, members of the CYC and Red Cross Cadets, and many other student volunteers were actively involved in decorating the stall, designing games, and helping in selling items donated by parents and past students. We were awarded 'The Stall of the Best result' on the Hong Kong Island.

We have raised more than three hundred thousand dollar in the whole campaign and were the 1st runner-up among all the organizations in Hong Kong. Many thanks for the generosity of our students, parents and teachers.

Final touch up of our stall beautifully decorated according to the theme in this year- "TOLERANCE"

"I won't miss this time, I want the grand prize."

Master Alan Chan, President of the Student Council, represented the school in receiving the Awards.

Christmas in RHS

This is a time to be merry, we sing at Christmas. Rejoice, celebrate! Jesus is coming to visit us and to bring us abundant light, faith and happiness. Jesus is not just an ordinary visitor that comes and leaves. He comes to stay with us, to live with us and to accompany us in our task of sharing his light, faith and happiness with others. He comes to us every day, and every day must be Christmas in our life. Jesus is happy when we celebrate and rejoice during our Christmas parties and celebrations. He enjoys our singing and our Christmas carols. He is happy when we pray and attend the midnight mass on Christmas Eve. Let us share the warmth of Jesus' grace with our family members. Let us enjoy the peace, joy and happiness of Jesus' visit.

花卉展覽

玫瑰崗學校一年一度的花卉展覽暨插花比賽於四月廿六日舉行。學校環境委員會希望透過欣賞花藝展覽和參與插花比賽，使同學在緊張的功課壓力底下，有一親近大自然妙趣的機會，更希望他們明白陶冶性情的重要。

插花比賽規模宏大鼎盛，是幼稚園部、小學部、中學部的師生、職員及家長共同參與的一個活動。其中公開組是特別為家長及老師而設的，藉以提高參賽水準。而邀請家長參加，一則可以強化親子關係，二則可增進家長與學校的聯繫，為這個藝術活動增添幾分意義。

花卉展覽開幕典禮

是次反應非常熱烈，參賽單位達一百之多，比賽作品佔用了大半個禮堂。而可喜的是有為數不少的家長參加，正當媽媽在埋首插花之際，小兒女們卻忙著遞送花枝或是浸濕花泥，場面溫馨感人。

The Old Students Association

As time keeps on running, the Association in this September will celebrate its 30th Anniversary. During the past year, with the support of the committee members and all other members, the Association successfully held three activities, providing more chances for old students to gather together and to meet their good old friends. These activities included the 'AGM/Barbecue' held in September 95 in the alma mater school, the Annual Dinner held in December 95 at Club Lusitano and the 'Pat Heung' Basin cuisine held in March 96. The Association also participated in a number of school activities such as Summer Tutorial, Sports Day, Flower Show & a couple of activities organized by the Student Council.

This year the Association had successfully recruited more than 150 new members. The success is credited not only to the hardworking committee members, but also to the support from all the teacher advisors and fathers as well as all RHS new graduates.

Our objectives:

- * To promote closer friendship among the members and to foster the spirit of mutual assistance.
- * To keep the members in contact with Rosaryhill School and with each other by arranging regular meetings and various activities.

Staff Activities

Faculty Christmas Party

December 20th was a joyous day for everyone in the big family of RHS. The annual Christmas Faculty Party was held on that day, providing a great opportunity for every member to come together and share the joy of festivity. In that evening, staff members of different sections came down to the school hall to enjoy themselves. The gathering started off with prayer led by Fr. Emiliano Perez, followed by games and buffet dinner and lucky draws. The game of identifying photos of Fathers in their childhood brought the party to its climax. Whenever a photo was being identified the faculty burst into laughter; and the school hall was instantly filled with joy and warmth amid the excitements of the guessing game. The lucky draw brought the celebration to another climax. Numerous prizes were waiting for the lucky ones to bring them home.

Supervisor's Birthday Party

In the morning of April 2nd students were amazed to see all fathers, teachers and staff gathering in the school basement. Was there any important function going on? Right! It was our Supervisor's birthday. The birthday party was started off with prayer led by Fr. Francisco, followed by greetings from the master of ceremony and birthday gifts presentations from representatives of the Teachers Council of different sections. Next came the cutting of birthday cake and serving of refreshments.

探訪聖雅各福羣會
許莫德瑜護老之家

方銘謙
P.6A
(14)

一月三十日下午，我們數十位小六同學下課後，由幾位老師帶領參加了「愛心行動」探訪老人院。

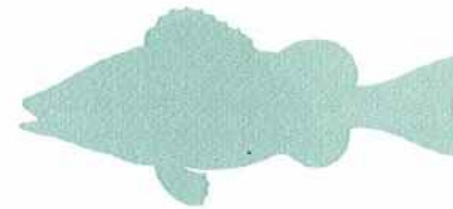

我們乘搭車到達聖雅各福羣會許莫德瑜護老之家後，首先由院長介紹該老院的設施。我覺得院內清潔衛生，環境也不錯，接著，我們以同學們精心準備的節目表演給院內的公公婆婆看。第一個表演節目是由我組的同學合唱的合唱，然後便由別組的同學合唱兩天一首的歌。我們都將心聲和祝福融入歌詞裏，祝賀公公婆婆們的健康，明天會更好。我們唱得認真，他們聽得開心。最後由一些同學用鼓樂吹出兩首優美的歌，結束我們的表演。

表演過後，我們又安排老人交陪，玩了一些傳盒子抽獎遊戲，他們不論是否抽到禮品，都玩得十分開心和投入。

遊戲完畢，我們便將帶來的禮物送給院內的公公婆婆。我們又分組去慰問在房間休息的老人，和他們傾談，了解一下他們的日常生活。最後，我們在告別前，以「因為愛您這首歌」獻給他們，祝福他們。

在這次愛心行動中，我深深感受到老人院是更有愛的道。從公公婆婆們慈祥的眼神中，我們應記起老人也，特別是對老人，我們更應付出一點關懷和愛心啊！

• 小牛，齊來一起玩吧！

• 猜猜還可挖多深

• 我都做得到！

• 來張大合照！

四年級至六年級戶外參觀

參觀記 譚家欣 5B (42)

上星期五的早上，我們在老師的帶領下，到海洋公園參觀。當日，天氣情況比較惡劣，但也不減我們參觀的興趣。那時候，我的心情十分緊張。

當我們乘坐校車到達目的地時，有兩位指導員熱誠地接待我們，他們也詳細地告訴我們參觀的行程。首先，指導員帶我們到訪客室看一套幻燈片，內容介紹鯨魚和海豚的種類、特徵和生活習慣等。接着，我們乘坐吊車到海洋劇場觀看殺人鯨，講解員介紹殺人鯨的名字、歲數、體長、體重等。訓練員也給我們觀看殺人鯨的眼睛、耳、前鰭、背鰭、尾鰭等。最後，我們再乘坐吊車到海豚學堂觀看海豚，訓練員用手勢來示意海豚做出很多精彩的動作，我們看得十分投入。經過大約兩小時半的參觀後，我們便懷着依依不捨的心情乘坐校車回到學校去。

在這次愉快的參觀裏，我不但認識到許多有關海洋動物的知識，而且學到保護海洋生物的重要。

參觀記 盧耿 4G (22)

星期四下午，老師帶着我們乘校車到警隊博物館參觀。在途中，我看見很多高高矮矮的樹木和一些住宅，我一邊和同學談話，一邊看風景。

到了目的地後，我見到門前展放着一尊著名的「大埔野戰砲」。這尊大砲曾守護着舊大埔四十五年呢！我們首先去看各式各樣的警察制服，我覺得警察風笛隊鼓手制服最特別，那模型警察身穿白衣服，衣領上有兩個閃閃發亮的銀色徽章，肩上還背着一個大鼓，顯得十分神氣。我們又去了三合會展覽室參觀。那三合會頭目身穿鮮艷的紅袍，紅色代表「洪」，是明朝三合會頭目的衣服顏色。老師又帶我們去毒品展覽室。陳列櫃裏的毒品真多啊！有大麻種子，大麻精等。原來，墨西哥仙人掌也是毒品之一。我還看見櫃裏有本聖經，聽說很久以前的人把聖經的內部挖空，把白粉放入去。他們還試過把地球儀打開，把白粉藏入去後，再黏好，籍以掩飾。展覽室中央有一輛炸彈處理車，能把炸彈運送到安全的地方，然後拆除。

參觀完後，我們在門前買了些紀念品，我買了一個鑰匙扣，鑰匙扣上有一個香港警隊的徽號。

上校車後，同學們都在車上討論。我想：「以前的人真聰明，運毒品的方法也有那麼多，但是他們真的不應該幹這樣的壞事！」

A Visit to Ocean Park

Martin Lee (5A)

Last Tuesday, our class went to Ocean Park with Miss Liu to visit the dolphins and the whales.

Once when we were there, we went to a big room to see some slides about the dolphins and the whales. The slides were very interesting. After watching the slides, we could ask questions about the animals. Then we took the cable cars and went to the other side of the park. Upon getting to the Ocean Theatre, we visited 'Miss Whale'. Then the training staff asked us some questions, and we had to answer them. At last, we went to the 'Dolphin Training Centre'. We learnt a lot about the dolphins.

On our way back to school, as I recalled the things that I had learnt in Ocean Park, I felt really excited as I knew that they would be useful to me.

My School

Kay Kong 6F (18)

My name is Kay Kong. I am twelve years old. I am studying in Rosaryhill School. The address of my school is 41B Stubbs Road, Hong Kong. The location is a very nice area to study in!!

I go to school by school bus. The bus waits for us right below of where I live. I am studying in Primary 6F. My classroom is on the fourth floor. My Class teacher is Mr. Christopher Tsui. If I need to describe him, I would say that he is an easy-going and always cheerful person. Sometimes when he is not too strict, he will tell us jokes and make us laugh. But when some of the naughty students (including myself) behave badly, he will become stern and yell at us to make us behave properly. Words such as: Okay; Quiet please ... etc. are used most often. The Whole class is like a bunch of monkeys, that's what he always said. There are 44 pupils in the class.

Rosaryhill School can be regarded as a large school. There are four sections that make up the whole institution: the Kindergarten, the Primary, the Secondary and the Business Studies Section. Besides classrooms and playgrounds, there are also music rooms, libraries, laboratories, chapel and so on that can be found scattering in all corners of the school.

The people who run the school are the Dominican Fathers. They all come from Spain. They are very nice and very Kind too. I like the atmosphere here so much that I never want to leave the school!

一個雷雨晚上

鄭文鴻 6E (19)

在一個悶熱的晚上，我坐在書桌前看書。忽然吹起一陣涼風，我往窗外一看，原來是一團像棉被一樣的雲從天的另一邊湧過來，連明亮的月亮也給它遮掩了。不一會，還下起大雨來。

在這雷雨交加的惡劣天氣中，我並不害怕，因為我知道雷電打中房屋的機會率是很微的。我非常憎恨雨天，因為它打在玻璃上的聲音，使我無法在安靜的環境下看書，還會造成水災和山洪暴發，摧毀很多人的家園和造成不少傷亡，所以，我覺得暴雨是人類的災害。

我的爸爸回來了，因為他沒有帶雨傘，所以被淋得像一隻「落湯雞」，媽媽又忙着收拾那些剛洗乾淨的衣服，而哥哥就急急忙忙地關上窗子。人聲、雨聲鬧成一片，使家裏增加了一些熱鬧的氣氛，而我卻坐在書桌前安安靜靜地看書呢！

我這個暑假的活動可說是多姿多彩，因為在這個假期中，爸爸、媽媽帶我到加拿大去旅行。

當我們來到目的地時，我看到一片草原、泳池和餐廳。原來，這正是我們要住的那間酒店裏的休閒設施。第二天，我乘車到尼亞拉瓜大瀑布，聽說那個瀑布是世界十大奇景之一，那瀑布氣勢宏偉，我乘船去觀看那奇景時，只見水花四濺，那隻船左搖右擺，好不刺激。然後我們便乘旅遊車回酒店，回程途中，我和好友在車上玩電子遊戲機。忽然，我覺得很想嘔吐，為甚麼呢？原來我玩得忘了形，忘記吃「暈浪丸」，這次不好了！我終於在車上嘔吐，多難看呀！到了第三天，當我們去參觀玻璃工場時，我和好友忽然迷了路，我們害怕得很，幸好到最後也找回了我的爸爸和媽媽。第四天是最不幸的一天，當參觀一處名勝時，我們竟然忘了旅遊車泊在哪裏，而要四處走，去找那部旅遊車，好不辛苦。

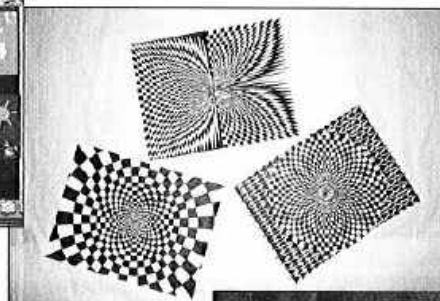

真是快樂不知時日過，不知不覺暑假又到最後一天了，對我來說，我多希望暑假可以再多幾天呀！

Words from Head Prefects

In this academic year, I have contributed my time not only for my studies, but also for campus activities. Being the Head Prefect of the Boys' Section, I have learned to work with my fellow schoolmates and to develop trust in ourselves. With my newly acquired leadership skills, I find it easy to manage various events and team works. I believe that the skills will be a help when I further my studies in university.

Through my challenging work, I have built up good relationships with many schoolmates. Although some of them are quite naughty, many are willing to take our advice. The majority of the students are friendly and helpful, which help reduce much of our work load.

In order to make our school a better environment for study, I suggest that we should follow the school rules, respect the teachers and be well-behaved.

Alan Ng 6A (Head Prefect of the Boys' Section)

As a new student, I did not expect to be the Head Prefect of the school. Since I was unfamiliar with everything in this school, I found it quite difficult to manage the students at the very beginning. Luckily, many eager students and teachers offered to help me.

In terms of discipline, I think that there is still plenty room for improvements. Firstly, students should respect and be more polite to their teachers. Secondly, they should put more effort to keep the school clean, fulfilling their responsibilities. Although some students are naughty, they are not 'bad guys'. If they do better, they can help change the image of our school. Every student is part of the school and their behaviour correlate with the school image.

This year I have learned how to manage students and co-operate with others. This is an unforgettable experience in my life.

Irene Siu 6C (Head Prefect of the Girls' Section)

Besides, we participated in activities to support the Hong Kong Chest and the Tuberculosis Association, and to help the victims of the Yunnan earthquake. Both activities were successful.

In February and May, we held talks on 'Stealing' and 'Personal Behaviour' for F.2 students and the whole school respectively.

This year seemed to be a fruitful year. We hope for more success in the coming school year.

Four cultural teams represented our school to participate in the Drama Festival, Speech Festival and Music Festival. This year our school concentrated on both sports and cultural events. The School Orchestra was officially formed; symphonic groups were organized to train preparative force for the orchestra. 1996 was another year of rich harvest on sports. Other than those brilliant results achieved by the sports teams, our school was awarded the most progressive school by the Hong Kong School Sports Association.

Internally, the Annual Athletic Meet, the Annual Swimming Gala, the Cross-country Competition, the Drama Competition and The Quiz Competition, which were organized as inter-house competition, attracted more participants as compared to previous years.

Compulsory measure for Form one students to take part in activities was introduced this year. Its aim was to train our students to be more disciplined through organized activities.

The Student Council also organized many well-received events, such as the Singing Contest and the Chinese Cultural Month in this year.

So far, we have organized many functions, such as Christmas Card Design Competition, Christmas Gathering, Singing Contest, Football Competition, the 35th Souvenir Design Competition, Joint School Basketball Competition, to name a few.

Overall, the functions were successful thanks to the committee members who devoted themselves to the organization of activities, as well as our teachers and fellow schoolmates who gave us invaluable support. We, therefore, would like to take this opportunity to thank all of them.

Our Student Council Committee will continue to work hard fulfilling our pledges and to organize more functions for our fellow schoolmates in the rest of the school year.

House Council

House Captains Liaison Committee comprises twelve executive members and two advisors, namely Mr. Thomson Chan and Mr. Jonathan Kwok. It functions as a bridge between the school authority and the six houses. To realize its functional role, each year it organizes and holds various large scale inter-house activities including the Cross Country, the Swimming Gala, the Annual Athletic Meet, the Drama Competition and the Debate Competition. The twelve executive members are composed of the President and Vice-President of each house, whom the students elected during the annual house meeting held in last October. These house representatives take up different positions in the committee, such as president, vice-presidents, publicity director, to name a few. They bear important responsibilities and make significant contributions to the committee. In order to perfect the inter-house activities, each of our final decision is based on the consensus of opinion among the house representatives.

Prize Giving Day '95

Hard Work Pays Off

The Annual Prize-Giving Day, which was a momentous occasion in school, was a highlight of the year. Parents, teachers and especially the prizewinners were invited on November 11th to participate in and witness the acknowledgement of the prizewinners' year long hard work. This year, we were honoured with the presence of Miss Alice Lau, an outstanding performer in Hong Kong, who is also an alumna of our school, to partake of this annual event.

Presentation of 'H.K. Book Centre Scholarship' to David Leung

At the beginning of the event, Miss Lau was greeted by our ceremonial party which was led by Father Principal and followed by Fr. Emiliano Perez, deputy principals and head teachers. At around 11 o'clock, the procession entered the school hall, with the warm welcome of the people present. Members of the party then took their seats on the stage.

The singing of the school song, which was followed by Fr. Perez's opening prayer, marked the opening

The School Orchestra's first official performance in school

of this memorable occasion. The presentation of prizes which proceeded by Father Principal's keynote speech brought the whole event to a climax. Miss Lau was invited to present prizes and awards to our meritorious students to

acknowledge their good work. The recipients were given rounds of applause by the audience, not only for their high academic performance, but also for their service to the community. Then Miss Lau's sharing of her experience, on striving for accomplishment in her career, had again enlightened the assembly.

Succeeding was a series of entertainment programmes specially prepared for the occasion. They included the enchanting performance of our newly-formed orchestra, the profound Chinese Dialogue, the delightful Chinese dance and the outstanding English Choral Speaking by our F.6 students.

The ceremony finally came to a close with the pleasant singing of the School Choir. Then, guests, parents and prizewinners were accompanied by teachers to refreshments which were prepared by our Cookery Class students.

The honour we bestow upon the winners of this occasion has been well earned by them. For this, we offer them our heartiest congratulations and wish them every success in the future. We are confident that, with the proper guidance from their parents and teachers, their future will be assured.

Summary of Principal's Address

Our Catholic education places a high value on students' balanced development. Equal emphasis is put on academic standards and behaviours. Moreover, by developing a spirit of participation through different school activities, we foster in our students a sense of responsibility and positive attitudes towards life and society.

With the advancement of the society, the task of the school in equipping students with knowledge, skills and attitudes has become more challenging and demanding. Nowadays, we need the students' personal hard work, perseverance and dedication, a closer collaboration between teachers and students, teachers and parents and a growing awareness of the needs and changes of the society.

In this direction, the Prize-Giving Day is thus organized to acknowledge the work done by our students during their school life and to motivate teachers, parents and students to reach higher objectives and develop potential.

Hoping that this meaningful occasion could stimulate all of us to work harder towards developing more and more positive and valuable attitudes that exist in us.

嘉賓演講辭擇要

一九九五年頒獎禮的主禮嘉賓是劉雅麗小姐。她在玫瑰崗學校由幼稚園讀起，至中五畢業，前後渡過了十三年。

在頒獎禮上，劉小姐引用鍾景輝先生講讀戲劇的四項要訣：熱誠、自律、幹勁和奉獻心，指出這不單只在唸戲劇，也可以應用在做人、讀書或是在社會上做事。

她認為無論讀書或做事，人都不必太著重成果。她進一步說明成果是別人對自己的認同，但過程中吸收的經驗才會令自己更成熟。

她又認為人做每一件事只要用心用力去做，必然有人欣賞。一個人的成功在於勇於接受自己、勇於挑戰自己和找到自己的理想。

Music Activities 1995-96

It has been a fruitful year for all the music activities. The music events started off with the first orchestral rehearsal in July 1995. Thanks to the work of orchestral master Ms. Jennifer Ho, who has been working wholeheartedly in training and encouraging students to attend the rehearsals, the speedy result was observed shortly after 1 1/2 months of hard work. The orchestra made its debut at the end of August.

Performance by the School Orchestra during the Prize-Giving Day

After the flourishing start of the orchestra, all the other music activities began to launch. There were 6 combinations of instrumental classes for students to choose from: 1) Saxophone 2) Trumpet and Horn 3) Flute 4) Violin 5) Trombone and Euphonium 6) Guitar. Over 40 students joined the instrumental classes, in which the better ones are encouraged to play in the school

orchestra. At present, we have more than 50 members in the school orchestra. Following its first performance in August, the orchestra performed at the Prize-Giving Day. The performance was superb and everyone was amazed by its speedy establishment.

Performance by the Choir during the Prize-Giving Day

Apart from the School Orchestra and the Instrumental Classes, the other musical group we have is the school choir. This year seemed to be a favourable year for the choir. After

performing on the Prize-Giving Day, members of the school choir took part in two singing events at the Music Festival and received satisfactory results. The most exciting moment came when the members were awarded the 2nd runner-up in the junior girls singing contest. They came to realize that their hard work and good effort were not wasted. Not only the choir members but also the whole school were happy about their result.

Lunch time concert given by Dr. Chao during the music week

The music week was the biggest music event of this year. Dubbed Music on the Hill, it was held between 30th January and 2nd February. An inauguration ceremony for the orchestra, which was also held at the same time, marked the opening of the music week. During the week, some outside musicians were invited and talks were given by music experts. Of course, there were performances presented by the school orchestra, instrumental groups and the school choir. There was also a display of book and classical CDs.

All of the music activities have brought the cultural atmosphere of the school to its peak. Since the beginning of the year, more and more students have realized the fun of music when they learn to appreciate classical music.

Blood Donation Days

During the school year of 1995-96, two days were designated as blood donation days on which students showed their generosity and concern for society. In fact, the number of donors in our school have increased gradually in recent years. Some students have even made several donations since their first one. In addition to students, the Principal, teachers and staff also joined the blood donation drive on those two days to express their love and care for others.

Their commendable effort was officially recognized at the Annual Donor Award Ceremony held by the Hong Kong Red Cross Blood Transfusion Services on 7th May 1996. Representatives of our school had the honour of attending the ceremony. As one of the 9 runners-up attaining the highest number of donations in School Blood Donation Programme, our representatives received a commendation shield on behalf of the school. In a symbolic way, the shield not only acknowledged our commitment to blood donation, but also boosted our enthusiasm for social services.

Teachers & Students Day

The annual Teachers & Students Day was held on December 21st, 1995. The function provided an opportunity for both teachers and students to play together, and hence to establish and further enhance good relationships.

The main programmes of the day were song dedications, stall games and various competitions. As a new policy or a move to put both teachers and students on a level playing ground, the students, for the first time, were allowed to wear blue jeans on the Teachers & Students Day in lieu of the school uniforms.

Ha! I have only three steps left! Be careful!

Coincidentally, it seemed that the new-found comfort gave a boost to the students' performance. This year the students team brought home the overall champion, after competing with the teachers team in such games as basketball, badminton, football, table tennis, volleyball and chess.

In the primary section's covered playground, 17 stall games were set up by different units including History Club, Student Council and Girl Guides. This year's award of the

Game Stall Best Design Competition went to the Red Cross Boys.

The accent of the day's programme was on the closing ceremony. All the members of the secondary section gathered in the Car Park singing Christmas carols. The harmonious and joyous atmosphere, together with the cordial smiles and cheerful laughter among teachers and students, was evidence of the achievement of the day.

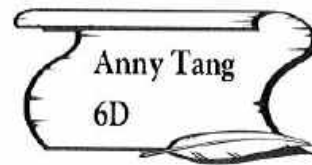

Let's guess who is the winner?

CCAC Leadership Training Programme

The CCAC Leadership Training Programme, which was first launched in the school year of 1994-95, was organized by the Co-Curricular Activities Committee (CCAC).

The training programme aimed at equipping students with leadership skills and preparing them to become outstanding leaders of the school and in the community.

The programme which merged a leadership training workshop and a training camp into a single activity was consisted of two stages. The first stage included a series of after-school courses, while the second stage was a leadership training camp held at the Wu Kai Sha Youth Village. The programme offered students the experience and training necessary to head group activities and to initiate actions.

The opening ceremony of the Leadership Training Programme inaugurated by Fr. Emiliano Perez

"Many students don't have the skills or confidence to become leaders. They confront with a lot of challenges when implementing their duties and fulfilling their roles, such as student council committee members, or other positions," said Mr. Ambrose Fong, a teacher-in-charge of the programme. "We believe that the programme provides good basic training and exercises that are essential for the students."

The closing ceremony was held in February 1996 at the Geography Room. Guests of the ceremony presented certificates to the student trainees who had successfully completed the programme. Representative of the student trainees Alan Chan gave a vote of thanks and presented some souvenirs to the teacher advisors. "I felt much better equipped as a student leader after taking the training courses," said Chan, who was also President of the Students Council. "Now I have more confidence. I've learned how to delegate jobs to others efficiently and to communicate well with others."

"The purpose of the programme is to provide training for the students, boost their self-confidence and commitment to be leaders and, more importantly, help develop their own philosophy of life," said CCAC's chairman Mr. Jonathan Kwok.

Sports Festival

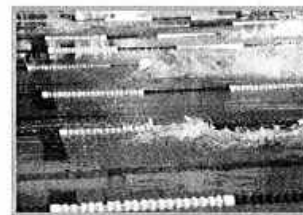

Angela Yau 6C
Stella Lai 6D
Judy Lo 6D

The Sports Festival was kicked off for the first time during the school year of 1995-96. Mr. Ko Kam Tong of the P.E. Department said the “perfect timing” prompted the launch of the event, which seemed to come naturally. The festival coincided with the end of the First Term Examination in January when a series of sports activities were scheduled to take place. Under

the flagship of the Sports Festival, many sports activities took place in the second term such as badminton, basketball, cross-country and athletic meet.

Swimming Gala

The 18th annual Swimming Gala took place in mid-November at the Kowloon Park Swimming Pool. It was the first time that our school hosted the gala in the Kowloon Park.

In this event, swimmers representing their respective houses, tried their best to capture as many trophies as they could. The keen rivalries were held smoothly amid all the excitements. After the breathtaking competitions, Phoenix House walked off with the girls’ overall championship while the boys’ championship went to Dragon House.

Cross-country

On January 6th, athletes of our school mustered up their energy at the Victoria Peak for the inter-house Cross-country Competition.

The weather was pleasant and very suitable for running. Participants of the mini-marathon were divided into four categories: Boy’s junior, Girl’s junior, Boy’s senior and Girl’s senior. This year the track of the seniors was changed in a way that they only had to run the track of the junior twice in order to finish the match. Most of the seniors said the new route was easier to run than the one in the previous years.

After the rat-race, Phoenix House outmatched the other houses and won the overall championship. Our Principal Fr. Francisco de las Heras awarded medals to the sweating but all the more vigorous winners.

Athletic Meet

The 29th annual Athletic Meet was staged at Aberdeen's Wong Lai Chung Stadium on January 3rd and 9th. It was a blessing that the weather on both days was mild, and hence all the sports events were proceeded smoothly.

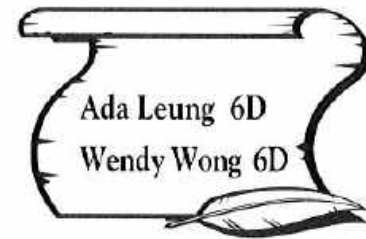

The most cheerful and exciting event of the day was 'Go-One-Mile', which was first launched two years ago to celebrate the 35th Anniversary of our school. This fairly new game attracted a host of participants. Eager students, teachers, and staff

took part competing with one another. Judging from the audience's staring looks and joyful cheers, the game undoubtedly brought the atmosphere of the day to its climax.

Following the competition came the announcement of the overall results. The championship went to Phoenix House, the first runner-up was awarded to Flamingo House while Dragon House came third.

Services & Charity

A Social Service Group was formed this year with Mr. Frederick Wong as the advisor. The group aims to cultivate students' awareness of social affairs and to provide services for the less fortunate people with care and concern. It organized a lot of activities during the school year. In Christmas the group members paid a visit to the mentally retarded. In April they took part in the Road Safety Campaign held by the Wan Chai District Board by setting up a game stall.

During the Easter holidays they participated in a joint school social service activity. They visited the Hong Kong YMCA Sai Wan Social Centre and some elders' homes at the Sai Wan area. The elders had a good time enjoying the performances, games and presents prepared for them. In May, with the sincere help of the Hong Kong Society for the Aged, the members visited about 30 elders who live by themselves in the Eastern District. They talked with the old people and showed their care and concern to them.

Famine Lunch

In order to heighten students awareness of poverty situation in the Third World, a fund raising event, titled Famine Lunch, for the World Vision Hong Kong was held at the lunch recess on March 20th. Participants of the famine lunch gathered in the basement, watched video about Rwanda refugees and played games. The programme ended with a token refreshment.

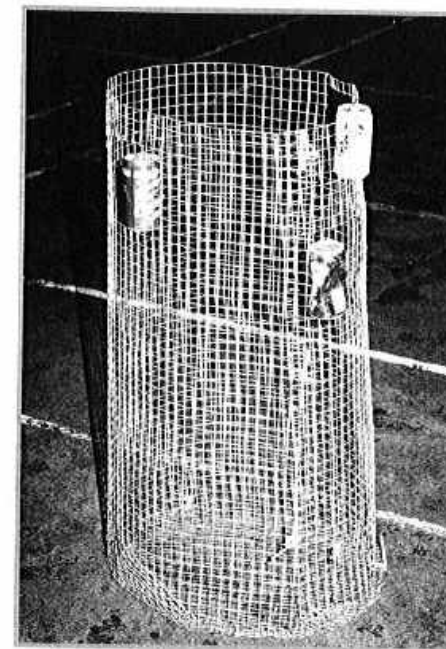

Environmental Protection

This year, the Student Council organized a series of conservation programmes, which included the Paper & Cans Recycling Campaign, the Conservation Clothing Design Competition, the Lyrics Writing Competition, and the second-hand market notice board. The highlight of the activities was the recycling of cans, which were collected in a special made rubbish bin located in both the Girl's and the Boy's sections.

In addition, our school also launched a number of environmental protection projects, such as the Inter-class Cleaning Competition. Moreover, some trash bins were placed along the side of the slope of our school, in an effort to keep the surrounding environment clean.

As a result of the environmental campaigns held throughout the school year, the environment of our school has been improved and the students have developed a spirit of keeping the school clean. Since we all want to study in a beautiful and comfortable environment, it is our duty to preserve a nice and clean environment for our school.

Drama Competition

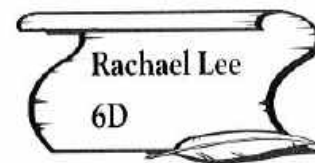

The inter-house Drama Competition was staged at the School Hall from April 1st - 3rd. Representatives of the six

houses presented their acts on stage one after another. The scripts were brilliantly written and the acting was all the more absorbing, which held the audience spellbound. No wonder the actors were greeted with a storm of applause. Moreover, the backstage staff also did a good job in ensuring a smooth run at the front stage.

As the competition drew to its end, both the participants and the audience got tense up before the release of the results. The Unicorn House outperformed other houses; it won the competition with the 'Best Stage Effect Award' and its member Yuceila Lo (F.6D) was awarded the 'Best Director Award'. Meanwhile, the 'Best Play Script Award' went to Benny Hui (F.6C) of Flamingo House, and the 'Best Actor and Actress Award' went to Karson Cheung (F.6A) and Johnny Kwok (F.4 A) of Unicorn House and Andy Lou (F.4 A) of Flamingo House.

Debate Competition

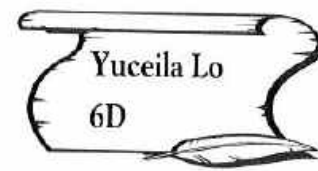

The inter-house Debate Competition was held at the School Hall on May 27th and 30th. The competition was divided into Senior and Junior Grades.

Dragon House and Unicorn House were the two finalists in the senior grade. After an astute debate, the championship was awarded to Dragon House while the 'Best Debater Award' went to Casablanca Ng (F.6D) of Unicorn House.

As for the junior grade, Flamingo House won the championship, with its House Captain Vincci Cheung (F.4A) winning the 'Best Debater Award'.

文娛康樂月

今年五月是學生會的「文娛康樂月」。在這段期間學生會分別與校內不同的學會聯合籌辦七種類型的比賽和講座。例如與棋藝學會合辦的「棋藝比賽」、與美術學會合辦的「畫展」、與中文學會合辦的「對聯對中對」等。此外還有「時事問答遊戲」、「電影動感天地」、「齊齊煮飯仔大賽」、「急救講座」。內容十分豐富，同學們的反應亦很熱烈。

F.5 Graduation Party

The 1995-96 Form 5 Graduation Party was held on June 18th at the Hotel Nikko Hong Kong. Its main aim was to provide the graduating class an opportunity to express sincere gratitude to their teachers for their hard work in teaching.

That evening was wonderful and unforgettable, thanks to the organizing committee members who had put great efforts at preparing for and perfecting the party, as well as to the function advisors who had given the committee members invaluable advice

and support. Both teachers and students enjoyed themselves very much. They all had a hilarious time at the party.

The party started with an opening speech by our Principal, Fr. Francisco de las Heras. On behalf of the form five graduates, two student representatives expressed their appreciation to the teachers. This was followed by a delicious dinner, various jubilant games,

a lucky draw, and heartwarming song dedications. There was also an election for the most outstanding dressing teachers and students. In addition, President of the Old Student Association Mr. Wilfred Liu introduced the graduates to the association, which is a good medium for keeping in touch with the school after graduation.

F.7 Graduation Party

The Preparatory Committee "Smile, you have done a good job."

The food that evening was delicious. There were also various enjoyable games throughout the evening such as a "drinkathon", a school knowledge quiz, dictating the school song and drawing the school badge. In addition, they presented to our Principal a souvenir, a baby pine, which represented their vigorous and unswerving devotion to the school. Teachers and students also sent each other messages through song dedication and the lucky ones took home fabulous gifts they got in the lucky draw.

The main aims of this function were to thank all the teachers for their hard work in teaching and guiding the form seven students through these two significant years and to celebrate the completion of their post-secondary school life. These had been evidently achieved, as proved by the harmonious and congenial atmosphere of the evening.

3. Head Section Leader of Red Cross Cadet

Name : **Winky Ho**
Class : Form 6B
House: Phoenix

It is a great honour for me to be elected as Student of Year 1995-6. The reasons why I have been bestowed on this prestigious award, I believe, are that over the past six years I have paid a lot of attention to my school work as well as participated actively in numerous school activities.

I think this honour is not only a recognition of my hard work, but also the teaching and advice given to me from all of my teachers. It is significant to me that whenever I encounter problems in my life, they bring me through and teach me how to solve the problems. So, I would like to take this opportunity to thank all of them.

When I become more mature, I have come to realize that if you do not seize the opportunity in front of you, it will slip away and would never come back again. So, I truly believe that if you try your best, you can succeed.

As Students, we should put effort both in studies and extra-curricular activities. Thus, we can have a more balanced development and a successful school life.

The speech was delivered by Winky Ho, the elected Student of the Year 1995-6, at the School Closing Day Ceremony.

West Meets East:

Marta writes out her Hong Kong Memories

One of the most interesting things in our life is to learn—not only from books, but also from people, cultures, countries and virtually everything. They are all very different.

It's this curiosity about learning that brought me to Hong Kong.

Since I was a little child I have always dreamt about travelling around the world, meeting new people, making new friends, and living in different styles. When I found out about AFS cultural exchange programme, I was eager to join it.

I did, and here I am!

I have been in Hong Kong for almost one year, but I must admit that it hasn't been always easy for me. Nevertheless, it's in no doubt a great experience that nobody could take away from me. Never. It's the year in my life that I, for the first time, had an opportunity to experience an entirely different culture, to know different people and, more importantly, to discover my goal in life.

I would like to take this opportunity to sincerely thank all the people in the school: the Principal; the teachers for their patience and understanding; my classmates for sharing a wonderful time with me; my fellow schoolmates for initiating interesting conversations that I enjoyed very much; and the canteen workers for practicing Cantonese with me during the year (although my Cantonese hasn't improved a lot).

Thanks you all, who made me feel welcome and who have given me the courage to fulfill my dream.

Finally, we have to say 'good-bye'. But it will never be forever!

Marta Bonvehi I Mor.

AFS-Exchange student 1995-96

Rosaryhill School is unique in many aspects and should be considered as one of the most interesting schools in Hong Kong. There are a number of reasons for my school being chosen to be one of the interesting schools in Hong Kong. To begin with, although my school is a co-educational school, in fact boys and girls are separated in Form One to Form Three. In Form Four and above, students are allocated into different classes according to their choice of stream, either Science or Arts classes. Therefore, girl and boy students can be mixed together. This is really distinctive from other co-educational students. My school is also one of the largest schools in Hong Kong. She is divided into four different sections: Kindergarten, primary, secondary and business sections. There are around fifty-six classes in secondary section which is equivalent to the total number of students from two ordinary schools.

Unlike many ordinary schools, RHS is rather far away from the busy districts due to her geographical position. She is situated at Mid-levels far away from the major urban areas. That is why all students from RHS have to stay at school for their lunch instead of going to fast-food shops and restaurants, like students from other secondary schools. I must admit that long travelling time to school is the only inconvenience for RHS students. Fortunately, we have got more than twenty school buses featuring school logos. They serve both students and teachers from all sections. The Bus Department even has its own garage and technicians for the bus maintenance. What a large-scale and systematic school bus service!

When I first come to RHS, my impression at the first sight was that it not only provides an ideal environment for study, but also caters facilities for recreation. For instance, there is a rest garden at the back of the school in which a bird cage is kept. Students from all sections can go there for lunch or just for rest. It is a quiet and excellent place for study as well. As a Catholic school, RHS has set up a number of places for praying to God. Apart from a school chapel, the Fatima Shrine is another place for devotion to our Lady. Along the hill on the top of the shrine, several barbecue sites have been set up for students' gathering at Christmas, mid-Autumn Festival or for other functions. These sites seem to be a "bridge" which help to brace the bond amongst students, teachers and our alma mater and so arouse the sense of belonging to RHS among students. As for the academic side, a well-equipped language laboratory is entirely open for all forms of students to increase their exposure to English. Through each of the language activities -- Reading, Speaking, Reading Aloud and Listening under the supervision of English teachers, students can form a reading habit and a better proficiency in English. Since students are always lazy, this language support activity programme can really help students to make progress as it is compulsory for all forms.

A well-organized school must be supported by a systematic administration system. RHS is so large-scale with the majority of students, therefore its administration plays a vital role in running the whole school. The school makes use of auto-pay system to minimize time and ensure efficiency. Unlike other secondary schools, there are two deputy principals for the Boy's section and Girl's Section besides a principal or supervisor.

RHS is so systematic that it is like a small society in which all students and teachers are living as family members. I am proud of being one of RHS students because it is very unique and interesting as I have mentioned above. For these reasons, I strongly recommend RHS being one of the interesting schools in Hong Kong to be shown in your documentary programme.

如何建立良好的校風

劉奇 中一甲

「喂！小子，趕着去哪呀？」一群少年圍上來。他們一些在抽煙，一些在追逐推打，有些竟是穿上了校服的呢。「你是那道的？見了我們也不打個招呼，瞧不起我們嗎？」「我是……」我驚慌地，不知怎樣回答他才好。他們明明看見我從校門走出來，竟然問我是那道的，真不明白。「喂！你們幹嗎？又在生事？」幸而這時來了一位警察先生。「噢！沒有甚麼，跟他玩玩吧了。」那撮人便一哄而散。「整天生事，不用心上學，甚麼校風也給敗壞了。」那警察搖頭嘆息道。

「校風這二字像電極一樣打在我的腦裏，有百般滋味，總是說不出來。我垂下頭，急步的回家了。可是這說不出來的滋味，留在心頭，歷久不散。

我想校風不是一朝一夕可以建立的。它包含着這所學校的歷史，歷年老師同學一起營造出來的風氣。所以一提起這所學校，人們已有一個印象，這是一所怎樣的學校。

其實身為學生，穿上校服，便應尊重由學生、老師、學校所營造的學校形象；更要時刻維護良好的校風。

一個學生，一定要克盡學生的責任。除了要努力求學外，還要看重個人操守。無論在校內及校外，任何時刻，要守禮守法。和他人交往要互相尊重，和睦友愛。這才不失為一個良好的學生。

比方，排隊這項生活上的小節；無論在乘車，看戲購票，往銀行繳費等，若我們穿上校服而不守秩序，沒有禮貌，人們會怎樣說？定會罵老師教導無方了。

在店舖盜竊，那更要不得。給警察逮着，送到法庭，報章傳媒會怎樣說呢？學生犯法，學校不被描黑才怪呢！

與他校同學交往，如進行比賽等；我們要勝不驕，敗不餒，更要尊重別人的學校。這樣人們才會尊重我們的學校。祇知求勝，用一些不君子的行為；甚至動粗，那是要不得的。其他學校的教職員又會怎樣看我們？不用多說，一定瞧不起我們。日後也不願和我校交往了。

然而，一個好學生，祇是校裏一個小小的個位。如何可以建立起一股良好的風尚呢？

孔子說：「達己達人」；說得很對。我們本身是一個模範。首先我們一定要從本身做起。如果一所學校裏每一個學生都是品學兼優的，這所學校不就是一所好學校嗎？我們不單自己要做好學生，更要令到其他同學要向好學生途徑走。這樣，一股良好的風氣，便可無聲無息地蔓延起來，持續起來了。

良好的校風是校內每一個人和歷屆的老師和學長努力的成果。若果我們破壞了良好的校風，豈不是對不起過往的老師和學長嗎？所以我們應該好好地維護校風才對啊！

每個人都必定經歷過嬰兒時期、兒童時期、青少年時期和成年時期，這是大自然的規律。但為甚麼人們在青少年時期犯罪的機會會比他們在嬰兒、兒童、成年時期較高呢？道理很簡單，當人們還是嬰兒、兒童的時候，他們仍年少無知，而且大部分的時間都離不開學校、家庭和父母，學壞的機會不大。至於成年人已經懂得控制自己，除非他們從小已經是壞的，否則犯罪的機會會更少；可是，青少年擁有強烈的好奇心，做出很多不應該做的事。

有一次，我到超級市場買東西的時候，看見有一班中學生抽着香煙，又把貨物偷偷地放入自己的書包。於是我便走去問他們：「喂！你們想偷東西嗎？」有一個男學生走過來，對我說了很多污言穢語，又叫我不要多管閒事，否則便會打我，然後匆匆跑向超級市場門口。突然，有一位職員把他們攔住，大聲向他們說：「請問可否打開你們的書包給我看看？我懷疑你們偷了超級市場的貨物。」那班學生的臉色個個都由紅色變成青白色，卻仍死不悔改，對那職員說：「偷是偷了，有甚麼大不了呢？」於是那職員就撥「九九九」，不久有幾位警察來到，看見那班學生，說：「你們便是那班失蹤兒童！」然後帶了那班學生返回警署。

現今的青少年很喜歡抽煙。他們認為抽煙很「有品味」，其實那是大錯特錯。抽煙不但危害健康，還會破壞大自然。

有些青少年穿着校服也說污言穢語，其實這不但貶低自己的人格，還會影響學校的聲譽。

有些又常常講打講殺，用武力使別人屈服，這和獅子、老虎這些禽獸有何分別呢？

現今有些青少年很喜歡離家出走、偷竊。其實即使父母罵、父母打，他們都是很愛自己的孩子。試問世上有誰的父母不愛他們的子女呢？

偷竊是違反法律的，實際上天下所有的罪都是從貪婪之心而來的，只要革除這個念頭，世界便沒有罪惡了。

以上都是現今青少年常犯的錯誤，希望身為青少年的讀者看過這篇文章後能夠改除這些缺點，成為一位「品格高尚」的人。

電視節目

凌敏儀 中四壬

我認為學生在周一至周五應該收看電視節目。雖然周一至周五的時間多是用來溫習功課，但是在學生對歷史、國文和時事各方面都有益而又值得收看的電視節目，從中可以得到很多新知識是書本上學不到的。

在歷史方面，最近晚上播放的孔子是一個很有教育意義的電視節目。從節目中可以學到很多萬世師表對人和對事的態度，而且還有介紹他驚世的《論語》。從節目中可以看到他的寬宏大量，還能夠學習他的偉言。在一般歷史書上並沒有——清楚地記下孔子生平的事跡，透過節目的傳播，使我們更容易清楚明白歷史書上的內容，而且歷史老師也鼓勵我們收看此電視節目。

在國文方面，上星期剛播放的新節目《聯中傳奇》也是一個令學生提高對詩詞興趣的好節目。在節目中播放的故事主要是圍繞對聯而設的，每次播放後兩位節目主持人也會加以詳盡解釋，使觀眾能夠清楚明白。

在時事方面，我們當然不能忘記每天的新聞報導和周一至周五的城市追擊。前者能夠令人看清楚身邊所發生過的事情和世界各種大事，後者則體會到民間疾苦。這兩個節目使人珍惜現在所擁有的一切和明白「身在福中不知福」的道理，這些是書中從來學不到的。

以上我所說的電視節目也是在周一至周五所播放的。有些人說會影響溫習時間，但是有適當的時間表和不要過份收看電視節目，觀看電視節目也是一種放鬆自己的好方法。在沉悶的溫習過程中有一些調劑亦能夠減輕學習的壓力。總觀全文，在周一至周五觀看電視節目也是有益的。

談讀書

林莎莉 中三己

讀書其實可以是一件難事，也可以是一件容易的事，最重要的是你能找到自己的讀書方式。我讀的是中文小學，初升上英文中學時是非常的不習慣，但後來發覺非改不可。所以便努力讀書，留心聽課。我們千萬不要將讀書視作負擔，因這會使你不再用心讀書。我們要覺得有興趣，而且要有上進心。想想如果你拿到好成績時的感覺，這樣就會讀得很開心。當然努力也是很重要的。同學千萬別誤會聰明是成功的必要的條件。有一位科學家曾說過「人只要有百分之一的聰明，百分之九十九的努力，就可克服困難。」除此之外同學還要積極發問。有以上兩項條件，我們才容易掌握書本裏的知識。

School Social Work Services

Ms. Connie Hung Fai *School Social Worker*

I commenced my job in Rosaryhill School (Business Studies Section) as a school social worker in January 1996. In my brief encounter with the students and the school itself, I found the experience quite different as compared with what I experienced in other schools where I was stationed.

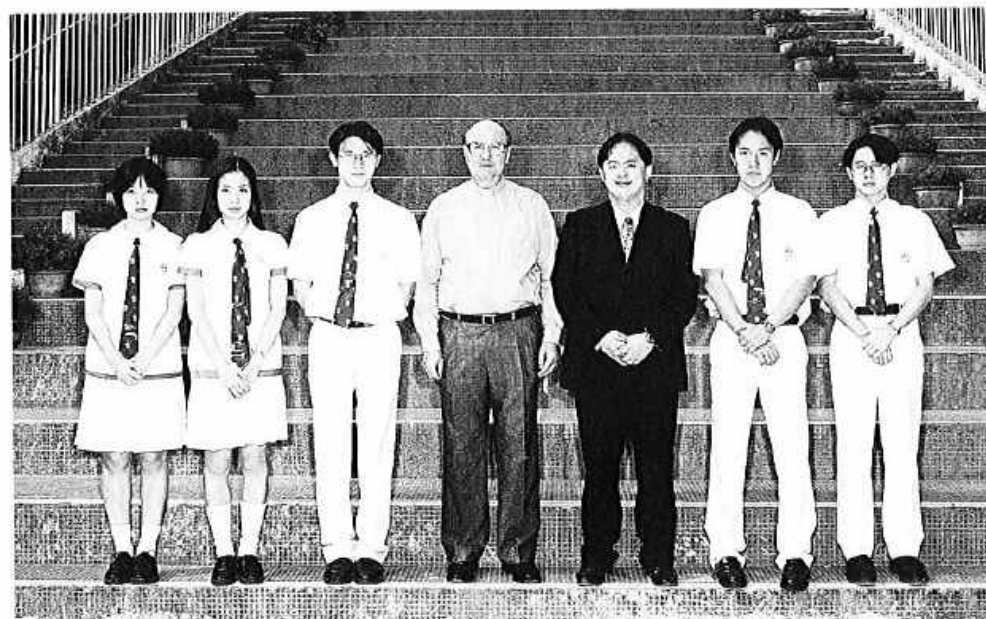

Here, the students are all senior, more mature and are mostly serious about their school work. Though there is not an extensive amount of counselling cases handled, all are of self referral basis which means that the boys and girls here are active and willing to share with me their concerns and difficulties. Among them, interpersonal relationship with their families, peers and opposite sex is one of the common issues they like to share with me. Other than that, being earnest about themselves, they also like to ask me about their further studies, training opportunities as well as career choice. Being with them is just like going through again the "adult-but-not-yet" age.

Finally, I would like to express my sincere thanks to all the school administrators, school teachers, other personnel, and students for all their kind support and assistance throughout the year so that the school social work services could be rendered smoothly.

I look forward to our continued co-operation in the interest of the students.

Student Council

Venice Chan (Secretary), Maggie Leung (Treasurer), Anson Au (Vice-President), **Fr. Secundino Vicente**, **Mr. David Liu**, Steven Wong (President), Low Chung Hok (Secretary)

I am delighted to write a few words on behalf of the Business Studies Section of Rosaryhill School. First of all allow me to introduce myself and then say something about our student council.

I feel so honoured (and lucky) to be the President of the Student Council and glad to have the chance to study here and enjoy the friendship of all my schoolmates. I heard of Rosaryhill School's name many years ago before I came here last year to study. So, this school is not totally strange to me. Rosaryhill School provides many spacious and comfortable areas for us to hold or participate in all sorts of activities. Besides its excellent surroundings, the relationship between teachers and students is very warm and friendly. Teachers not only care about the academic side of our life but like friends help us to resolve many of our personal problems and give us good advices.

As for my fellow schoolmates I would like to say that it is the aim of our student council to be responsible to each and every one of them, to respect their feeling and to draw them together into a large and closely knit family. Their welfare is the reason why we are in the Council. Also, we would like to take this opportunity today to thank them and our teachers for showing their confidence in us.

Finally, during my stay here, I hope to be able to carry out all my duties and to get on well with everybody.

Maggie Leung Ching Ying
President of the Student Council

Organisation of Houses

It is my great pleasure as the representative of all the members of the House Committee to take this opportunity to write a few words about our work.

First of all, it is our principal aim to establish a good relationship between the teachers and the students through some form of school activities such as a sports day, a swimming gala, a Christmas ball, a games day, etc. Then, we also assist the Student Council whenever they need our services.

At the beginning of this academic year (95/96) we held a swimming gala in Kennedy Town and it was a very successful event. Next, in October, we had a sports day at the Shamshui po sports ground. Although there was a slight confusion at the start, the day ended well thanks to the efforts put in by all the members of the House Committee. On Valentine's Day, we held a talent time backed by excellent sound system and a lot of help once again from the House Committee. It was really a top rate show which was enjoyed by everyone including our Father Principal and the teachers.

All in all it was a good year and I wish to thank the whole House Committee for their spirit of co-operation in all the above events and hope that in the coming school year new members would carry on our tradition and enjoy their performance.

"Next stop-USA"

Sports Day

The annual Sports Day was held on 9 November 95 at the Sham Shui Po Sports Stadium. Contestants supported by their cheering school mates excelled themselves in their attempt to set new records. It was an exhausting day but a rewarding one.

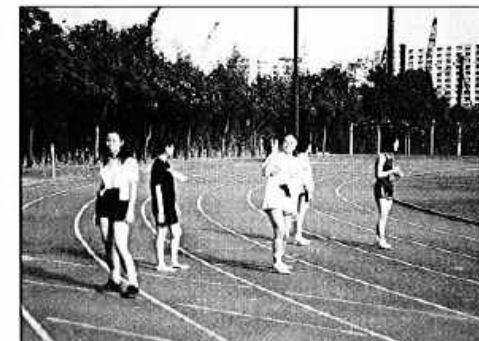

"Are we all on the same relay team?"

"When do we start, if ever?"

"This is the way I jump into my bed every night."

"I have absolute confidence in yours truly."

Sports Day

Ladies' overall champion.

"Comrades in Ar..... Er- in sports."

Winners of the men's high jump.

Those who came in from the 1500 metre run.

Gentlemen's overall champ.

Gold, Silver and Bronze Ladies
of the 800 metre race.

Earning a well-deserved rest.

The 3 ladies who
survived the
discus throwing
match.

Champions of the 200 metre dash.

Winners of
the hurdles

School Picnic

The memorable outing took place on 17 October 95 at Po Leung Kok Holiday Camp in Sai Kung. It was a day of great fun and relaxation for students and teachers.

Happy holiday makers!

This sure beats the hustle and bustle of city life.

It's not a good day for the chickens.

Gosh, what we have to go through for a hot dog.

Robin Hood's Merry Men.

Those were the happy carefree days, how we miss them!

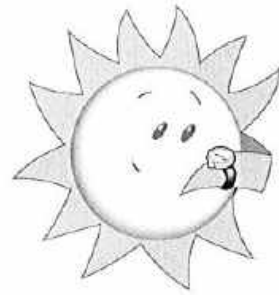

Come And Get It!

Oh, Oh, I'm heading for a bush landing.

School Picnic

Who said these are waffle biscuits?

Is it a bird ? An aeroplane ? Superman ?
No, it's a shuttle cock!

A great outdoor BBQ demo.

All alone. I'm all alone.

Ping pong diplomat in action.

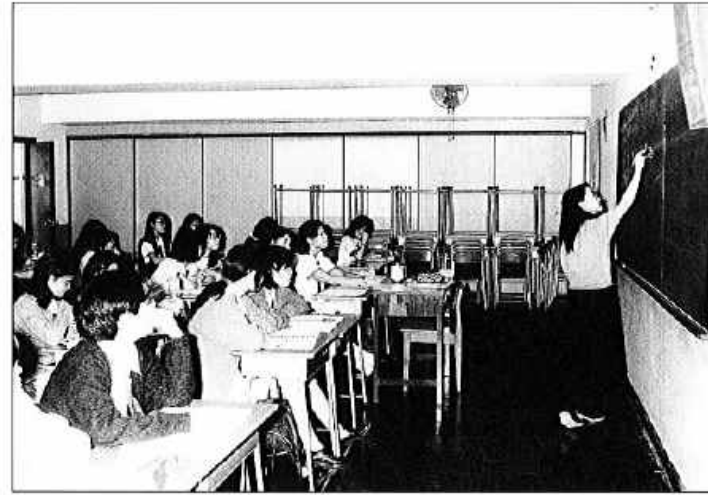

School Days

Those golden days
in the sunshine of
our happy youth, filled
with carefree innocence
and lasting friendships.
They will be cherished
in our memories
forever!

The Lord's Prayer

OUR FATHER who art in heaven

hallowed be Thy name

Thy kingdom come

Thy will be done on earth as

it is in heaven

Give us this day our daily bread

and forgive us our trespasses

as we forgive those who trespass against us

and lead us not into temptation

but deliver us from evil

Amen
